# INSTRUCTION AND INFORMATION SHEET FOR SF 180, REQUEST PERTAINING TO MILITARY RECORDS

- **1. Information needed to locate records.** Certain identifying information is necessary to determine the location of an individual's record of military service. Please try to answer each item on the SF 180. If you do not have and cannot obtain the information for an item, show "NA," meaning the information is "not available." Include as much of the requested information as you can.
- 2. Restrictions on release of information. Release of information is subject to restrictions imposed by the military services consistent with Department of Defense regulations and the provisions of the Freedom of Information Act (FOIA) and the Privacy Act of 1974. The service member (either past or present) or the member's legal guardian has access to almost any information contained in that member's own record. Others requesting information from military personnel/health records must have the release authorization in Section III of the SF 180 signed by the member or legal guardian, but if the appropriate signature cannot be obtained, only limited types of information can be provided. If the former member is deceased, surviving next of kin may, under certain circumstances, be entitled to greater access to a deceased veteran's records than a member of the public. The next of kin may be any of the following: unremarried surviving spouse, father, mother, son, daughter, sister, or brother. Employers and others needing proof of military service are expected to accept the information shown on documents issued by the military service departments at the time a service member is separated.
- **3.** Where reply may be sent. The reply may be sent to the member or any other address designated by the member or other authorized requester.
- **4. Charges for service.** There is no charge for most services provided to members or their surviving next of kin. A nominal fee is charged for certain types of service. In most instances service fees cannot be determined in advance. If your request involves a service fee, you will be notified as soon as that determination is made.
- **5. Health and personnel records**. Health records of persons on active duty are generally kept at the local servicing clinic, and usually are available from the Department of Veterans Affairs a week or two after the last day of active duty. (See page 2 of SF180 for record locations/addresses.)
- **6. Records at the National Personnel Records Center**. Note that it takes at least three months, and often up to seven, for the file to reach the National Personnel Records Center in St. Louis after the military obligation has ended (such as by discharge). If only a short time has passed, please send the inquiry to the address shown for active or current reserve members. Also, if the person has only been released from active duty but is still in a reserve status, the personnel record will stay at the location specified for reservists. A person can retain a reserve obligation for several years, even without attending meetings or receiving annual training. (See page 2 of SF180 for record locations/addresses.)
- 7. **Definitions and abbreviations.** DISCHARGED -- the individual has no current military status; HEALTH -- Records of physical examinations, dental treatment, and outpatient medical treatment received while in a duty status (does not include records of treatment while hospitalized); TDRL Temporary Disability Retired List.
- **8. Service completed before World War I.** National Archives Trust Fund (NATF) forms must be used to request these records. Obtain the forms by e-mail from *inquire@nara.gov* or write to the Code 6 address on page 2 of the SF 180.

#### PRIVACY ACT OF 1974 COMPLIANCE INFORMATION

The following information is provided in accordance with 5 U.S.C. 552a(e)(3) and applies to this form. Authority for collection of the information is 44 U.S.C. 2907, 3101, and 3103, and Public Law 104-134 (April 26, 1996), as amended in title 31, section 7701. Disclosure of the information is voluntary. If the requested information is not provided, it may delay servicing your inquiry because the facility servicing the service member's record may not have all of the information needed to locate it. The purpose of the information on this form is to assist the facility servicing the records (see the address list) in locating the correct military service record(s) or information to answer your inquiry. This form is then filed in the requested military service record as a record of disclosure. The form may also be disclosed to Department of Defense components, the Department of Veterans Affairs, the Department of Transportation (Coast Guard), or the National Archives and Records Administration when the original custodian of the military health and personnel records transfers all or part of those records to that agency. If the service member was a member of the National Guard, the form may also be disclosed to the Adjutant General of the appropriate state, District of Columbia, or Puerto Rico, where he or she served.
